North Carolina Audiology Association

<https://www.ncaudiologists.org>

North Carolina Audiology Association is excited to announce our in-person conference on November 4, 2022 in Raleigh. We would like to invite you to join our mission as a conference sponsor. Our organization would love your partnership in promoting audiology education and patient care.

Established in 2017, the NC Audiology Association is a dynamic and forward-thinking collective of Audiology professionals and advocates. The NCAA is officially recognized by the American Academy of Audiology and the Academy of Doctors of Audiology.

Our association is dedicated to providing a one of a kind learning experience for our NC audiology community. Your support will allow us to fund the level of national and local speakers required to achieve that goal. To demonstrate the investment in our future, the association made the decision to maintain a minimal conference registration fee for audiology students. Your funding also helps us support our audiology students.

Your company's interests and philanthropy make you the perfect candidate to support the conference as we continue to support current, past and future audiologists during these unprecedented times. Your support improves the services and patient care provided to Carolinians of all ages with hearing and vestibular disorders. Note that there are additional perks associated with some levels of sponsorship, including but not limited to virtual conference registrations and promotional opportunities for your organization.

We would be honored if you would consider sharing your resources in support of this event and look forward to hearing from you soon. Attached you will find the Sponsorship Level Options form, and the Sponsor and Exhibitors Applications form. Associated deadlines are included in the attachments, but note that for inclusion in printed materials, **ALL MATERIALS AND PAYMENT IN FULL MUST BE RECEIVED BY OCTOBER 10, 2022**

- Submit materials via email to ncaudiologyassociation@gmail.com
- If you have any questions, please contact us at ncaudiologyassociation@gmail.com

Best Regards,

North Carolina Audiology Association Conference Team
